History in the Making is an annual publication of the California State University, San Bernardino (CSUSB) Alpha Delta Nu Chapter of the Phi Alpha Theta National History Honor Society, and is sponsored by the History Department at CSUSB. Issues are published at the end of the spring quarter of each academic year.

Phi Alpha Theta's mission is to promote the study of history through the encouragement of research, good teaching, publication and the exchange of learning and ideas among historians. The organization seeks to bring students, teachers and writers of history together for intellectual and social exchanges, which promote and assist historical research and publication by our members in a variety of ways.
